mbrennan@gershman.com

Mark Brennan joined the Solon Gershman, Inc. team in 2008 with over four years of experience in real estate. Previously, Mark was involved in commercial sales and leasing. He also has experience in property management and investment acquisition and disposition.

During his time in property management, Mark was overseeing multi-family properties with 2-24 units. He was also responsible for acquiring these properties.

Currently, Mark specializes in retail and office sales and leasing. He credits himself on his thorough knowledge of St. Louis and his ability to understand his clients' needs. Mark works to identify the personality of a business and to move forward from there to find the ideal property. His clients include: Pi Restaurant, EJ'S Shoes, Collabera IT Services, Foster and Adoptive Care Coalition of Greater St. Louis, United Anco Services, Inc., Westview Media, Veran Medical Technologies, Thomas Insurance Advisors, The Franklin Group and Anthony Pepe Law.
